Passive Income: How To Make Money Online Using Evergreen Content

Synopsis

Even though I'm only 20, I've spent the past 7 years learning, testing, and failing many times in my search on how to make money online. In January 2017, I earned over \$15,000 from many online sources. In Passive Income Tutorial, you will learn how to make money online using blogs, , Youtube, Facebook, and Instagram utilizing Evergreen content for a steady and passive income flow. I want to give back by teaching you:-How to set up a successful Youtube channel (My Algorithm Hacks included!)-How to start and maintain your own consulting business-How to make money selling Ebooks on the kindle store-How to set up and grow a Facebook Fan page-How to set up and grow an Instagram account-How to set up a blog with Wordpress-How to utilize SEO (I teach you how to manipulate Search Engines!)-How to set up a membership website-How to set up a Subscription Box Service-How to set up a Patreon account-How to outsource and dropship your own productsThe book is set up into 3 parts:-My past failures-How to gain followers-How to monetize your audienceYou don't have to go through where I failed, instead let me teach you every successful trick I've learned to jump-start your passive income. I've read over 100 books in the past year on marketing, home business, passive income, affiliate marketing, and tons of other monetizing methods. I've also been binge-reading tons of growth hacking books for social media platforms and have summarized the best methods into this book. I've personally used these methods myself and have seen great success in my online and financial life. In short, I now own and run a Youtube channel titled "Practical Psychology" with over 700,000 subscribers because I LOVE giving value. In this book, you're going to get value by the truckload.

Customer Reviews

I really like how you were able to learn from someone who's actually done it and learned from past mistakes. Actual, hands on experience is much more important to me than just mere knowledge of a subject, and the author really delivers that in this book.

This book is about business on Youtube channels. However, there is very interesting prehistory also. You will learn some information about Wordpress platform, using social nets, and Searching Engine Optimization too. This story certainly gives you a high-level motivation to make your passive income online .

Great Practical Book...The writer grew his YouTube channel to almost 1 million subscribers in a matter of months. When you read this book, you know that you are learning from someone who knows what he is talking about. Th*, too bad you don't follow up with me about translating your channel into French :-) Alex LM

I thought that the book was very informative and the advice given will help me in my online business success. Thank you for the information.

This ebook was very interesting and informative. I am currently getting settled into my first full time job and plan on using the methods in the ebook to create another source of income for myself. I enjoyed his stories about how he started out and the hacks that he uses to boost his value. Thank you for sharing the knowledge

A nice read. I found the concepts easy to understand and the writing style was engaging and easy and interesting to read. Thanks for sharing these tips and how the process worked for you. I have a

good understanding of the key areas that will help.

I was introduced to Practical Psychology through Alpha M. while doing a collaboration. I fell in love with practical psychology through watching his videos and can't wait to learn from him in the future.

- Easy and usefull info. from practice which can help you decide which way will you go- Short = its possible to read in one day- Cheap = the price for this ebook is low
