Darkroom Dynamics: A Guide To Creative Darkroom Techniques - 35th Anniversary Annotated Reissue (Alternative Process Photography)

Synopsis

Back in print 35 years after it was first published, Jim Stone's classic darkroom manual provides step-by-step instructions for alternative creative darkroom techniques for experimental and manipulated photography. Each technique, presented by a photographer who is an expert in its application, includes how-to illustrations and reproductions of the photographer's work. Perfect for students of darkroom photography, including those interested in experimental photography and alternative processing.
