Grade Level: Preschool - Kindergarten

## Customer Reviews

Great Catholic kids Bible. I have looked at all of them. Great for ages 7 and up. Has some frightening pictures for younger kids in my opinion. For younger kids I like the Maite Roche bibles.

Have purchased this picture Bible a number of times over the years as a gift to the children of our (Eastern) parish who receive their first Holy Communion. It is traditional and well done. We stay away from new editions of the Bible which are protestant and new age in content.

Excellent packaging, great shipping time and it's practically brand new! The pages are gorgeous with real artwork and the stories to match are well written/interpreted. I purchased this for use in my first grade classroom on the prayer table, the first graders can listen to the story while looking at the picture.

Bought this for my grandchildren. My 2 year old grandson loves the pictures and his 5 year old sisters love having their own bible.

Bought one for my 26 yr old when she was 5. Great then and now!

Great picture bible for a child who is curious about the bible, wants to know about Jesus or likes to be read too. Simplified readings from the bible that keeps children's interest and helps them understand the stories. My God son loves it.

This is the exact same timeless classic Catholic Picture Bible I had as a child ,, almost 55 years ago . Now for my granddaughters now 3 and almost 7

Nice book. Makes the Bible interesting for youngsters. Not for the very young. Expect inquiries as there is some graphic pictures.
