Customer Reviews

The story discusses the life of a Loyalist family during the revolutionary war and their eviction from the States and escape to New Brunswick, Canada in the mid 1780s. A love story is mixed in which nicely enhances the story. It is written as a poem with a lot of flair, however it still reads easily and quickly. There are about 45 pages. Originally published in 1880, it is still being reprinted. This is a testament to the historical value of this tale. The story is claimed to be true by the author, however I suspect that the names and places may have been changed. I have not been able to link the names and final homestead place to actual people or a place. The selected cover photo is a mystery to me. It is not related to the story and looks like a scene that occurs 100 years or more later. This is a copy of an original book. There are some minor defects in the original text which are not bothersome. A few sentences are missing as well. The reproduction alignment however, is quite poor making the story nearly unreadable. Most of the left pages are run deeply into the binder. Pages that have properly page-centered text, usually have the left or right sides of the text clipped off. I bought 5

separate copies and they all had the same reproduction defects. I suspect the entire inventory may be defective. The story can be read on Google books, on line. I hope a better reproduction appears for sale as available originals are quite expensive. I give the story 5 stars and the reprint quality zero stars.
