Customer Reviews

Beatrix Potter is one of the world's best-loved children's authors of all time. From her first book, The Tale of Peter Rabbit (1902) she went on to create a series of stories based around animal characters including Mrs Tiggy-winkle, Mr Jeremy Fisher and Tom Kitten. Her humorous, lively tales and beautiful illustrations have become a natural part of childhood. A source of inspiration was the Lake District where she lived for the last thirty years of her life as a farmer and conservationist.

Great

Item is as described. Unfortunately, the used item has notations made by the previous owner about their garden that are not applicable to my garden. Book is still usable.

Thank you!
