Christmas Recipes Cookbook: Delicious Christmas & New Year Recipes, Complete Cookbook

Synopsis

Christmas and New Year Main Dish Recipes; Christmas and New Year Side Dishes; Christmas and New Year Dessert; Christmas and New Year Breakfast and Brunch; Christmas and New Year Bread; Christmas and New Year Appetizer; Christmas and New Year SaladsMy name is Clark Weber. I am a chef in New York. These are the Christmas recipes that I like most. I learned some of the recipes in this cookbook from different friends and relatives. I tried all of them myself and the results were fabulous. I would also like to mention that I included in this cookbook only those recipes which are fairly easy to cook, even though I have to admit that some of them will be ready in more than a couple of hours. But, everybody starts the preparations for the Christmas Dinner a few days ahead, therefore I believe that time will not be a real problem here. Furthermore, I selected only the most delicious recipes because I know that everybody wants to amaze the dinner guests with unique and tasty dishes.

Customer Reviews

There are quite a lot of recipes that I didn't know about. This is great because I want to make some

changes in the Christmas menu and get rid of some classic dishes. It's also great to know the number of calories, as well, as we like to eat healthy even during winter holidays.

I love Christmas and Winter Holidays. Can't wait to make some of the recipes in this cookbook. I like that it comes with a great variety of recipes and I hate admit that there are a lot of recipes in this cookbook that I haven't tried yet. Will certainly try them this Christmas.

This is one of the better cookbooks available for Christmas recipes. The Beans Salad is excellent, but my preference, learned while living in Southern Africa, is to add some spicy curry for that little extra zing. The reason I am giving it only four stars, though, is because of the absence of nutritional information. Calorie counts are provided, as well as preparation time and serving quantity. Nutritional information, though, is of interest to Baby Boomers afflicted with ailments, such as Type 2 Diabetes. Counting carbs, as well as fiber and protein is of utmost importance. Otherwise, Christmas Recipes Cookbook is well organized, well-illustrated with photos of finished dishes, and is easy to use and understand. Love the book almost enough to rate it five stars. Comments regarding your opinion of this book or of my review, whether favorable or unfavorable, are always welcome. If you buy the book based on my review and become disappointed, especially, I do want to know that and I want to understand how I can improve as a book reviewer. Just please be polite. Thank you.

Christmas is near so this cookbook seemed to be very handy. Downloaded it through KU and I must say that I am amazed: it really delivers all the recipes that one will need in order to prepare all Christmas dishes. Each recipe comes with straight forward instructions and quite common ingredients. Not to mention that pictures are included, as well. Thank you

Love the recipes and instructions simple and to the point. Find it quite easy to follow the ingredients and instructions which makes your meals less complicated.

One of the most complete Christmas recipes book. It comes with all the types of dishes that need to be prepared for the Christmas dinner. The instructions are quite clear, as well. Recommended

This is perfect for this upcoming Christmas! I'm gonna make so much foods this weekend.
