Customer Reviews

DENNIS SHEALY is an editorial director at Random House Children's Books and the author of many books for children, including the popular Little Golden Book I'm a Truck. BOB STAAKE, a frequent cover artist for The New Yorker, has illustrated many Golden titles including We Planted a Tree, The Donut Chief, I'm a Truck, Little Golden Picture Dictionary, and the award-winning The Red Lemon.

First the book is cut wrong, the pages stick out from under the thick cardboard cover. And the story

is just awful, it goes from rhyming to not rhyming its difficult to read and become animated with my son because the story is so choppy and weird. Not the end of the world for \$4 but was hoping for something better since our son LOVES monster trucks

The "story" at it's best is awful, but there are truly disgusting statements. "I win eveytime" is not a statement I want my kid to hear over and over (and no, I'm definitely not an "all must be equal/play nicely" mom). Weak weak weak. Don't waste your \$. It went into the donate box after the 1st reading.

Very poorly written. Not a good learning tool; no rhyme scheme, no alliteration, no word visualization tools and contains some words that require a 3rd grade reading level. My 2.5 year old who loves being read to and is obsessed with monster trucks was not interested.

Weird story line that even my 3 year old son doesn't follow. Go for Blaze and the Monster Machines if you'd like a decent monster truck book.

There's kind of a weird flow to this story. Some parts rhyme, some parts don't...and some parts make me tongue twisted.

This book is poor. It has no enjoyable cadence to read. It has the word "HECK" in it. Not really what we want to be reading to our child. Save your money and purchase a different book.

We use this as an accent piece for our monster truck themed birthday party. It is a cute little book with a neat story for a young boy. The pictures are brightly colored and hold his attention very well

One of my toddlers favorite books, though it says "heck" on one page, which is not really a good word for that age group. We just changed it to "hey".
