Love this series of books! I am all about books that can be decor but also read and this is one of them + I love the ideas of these books for my daughter. Would make a great gift for a baby shower for any mom that is a fashion lover as well.

This book series is perfect for little girls! It teaches while providing a storyline that's easy to follow.

The book is really cute! My child enjoyed the illustrations.

Cute children's' book, but I bought it for myself! Book arrived promptly and is a great addition to my Chanel book collection.

This is a wonderful beginner biography for young readers. My 2nd grader used this in preparing for a history project. The author summarized the highlights of Chanel's life and career very well!!!
