## Customer Reviews

The photos are beautiful and there is a nice large space on each day for writing in appointments, etc. My only disappointment is that the calendar does not include patterns for the quilts which, in the past, has usually been the case.

Love it!

I really like this calendar and bought it for my quilting room. It has nice bright photos and I look forward to each month's featured quilt. I love "That Patchwork Place" quilting books and like that the pattern for each quilt is noted.

Perfect gift for my daughter the quilter.

Bought it for a gift and the person that received it- loved it!
