Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 7 customer reviews

Best Sellers Rank: #2,123,781 in Books (See Top 100 in Books) #16 in [Books > Travel > United States > Nevada > Las Vegas](#) #863 in [Books > Travel > United States > South > West South Central](#) #932 in [Books > Travel > United States > West > General](#)

Customer Reviews

This is another excellent Eyewitness book. I have used several of them for travel guides, all excellent, and this one is right on!!

Gave great ideas and photos were terrific. I have been to the area before but am looking to branch out while staying in Vegas.

Good book!

I am a big fan of Eyewitness books. They are so beautiful, filled with valuable information and great photography and design. I don't know how they manage to deliver this kind of quality for the price but they do, time after time. My bookshelf is filled with their travel books and they never disappoint. If I could only take ONE book on our next Southwest trip it would have to be this one (but I'll be taking about 10 since we travel by van and don't have to carry them).

The Southwest USA & Las Vegas travel guide is chock full of informative information, culture, and

pictures in a streamline 300 page volume. Although personally, I think Las Vegas should be its own volume, I found the information about the Southwest quite helpful. I particularly appreciated the cultural information included and the fact that website addresses for most sites were included with the information blurb. This is a useful travel companion for those intending to see the four corners area and beyond!

If you are planning to see the wonderful sights of the southwest this is an excellent book. It covers all of the national parks in Arizona and New Mexico as well as Las Vegas. If you are going to just Las Vegas or just the Grand Canyon I would recommend getting the more specific books than these but if you are looking for a regional book it cannot be beat. Highly recommend.

Very useful. Lots of information. Will use other Eyewitness Travel series for planning next getaway.
