100 Day Vocabulary Word Devotional: Daily Bible Study & Guide: Learn A New Word, Read A Bible Verse Or Passage, Study A Devotion And Apply The Lesson To ... Life: Daily Bible Study & Devotional Guide

Synopsis

The 100 Day Vocabulary Word Devotional combines expanding your vocabulary knowledge with words that aren't commonplace along with learning a verse or passage from the Bible that has the definition of those new vocabulary words in it. Then, with the new word and verse or passage of Scripture for the day, you'll get a daily devotional based on that topic. At the end of each daily devotional, you'll get the "Bottom Line for the Day." The "Bottom Line for the Day" wraps up the entire daily devotional into specific takeaways for you to apply for that day, and really for a lifetime. The 100 Day Vocabulary Devotional combines these aspects for a challenging, yet inspirational message in order to facilitate self-reflection. You'll appreciate the combination of gaining knowledge and finding personal insight as you navigate the Scriptures, devotions, and applications. If you are looking for a daily devotional to facilitate reflective Bible study, worship, provide Christian education, and build your vocabulary this will be the devotional for you. This devotional is intentionally set up in a unique way to help you learn by association through attaching a vocabulary word to a passage of Scripture for Bible study. Each daily devotional has a vocabulary word that has a definition that matches up to the devotion you will be reading, studying, and applying to your life. By writing this devotional with this methodology, you will have the best chance to retain the daily message during the bible study through a spirit of worship and reflection. My prayer is that you'll enjoy reading this devotional as much as I enjoyed writing it. In the information at the bottom you will find a link that will let you sign up to get a free devotional from me. In addition, you'll be able to find out when I publish another devotional similar in format to this one, utilizing the vocabulary word methodology.

Customer Reviews

I am glad I picked this book! I looked at the price and who knew that something so cheap could be so jam packed with useful information! If you want to soak up as much insight as possible and let that carry you throughout the day, then get this devotional! Well written, clean and concise, each study is refreshingly followed by the same format of specific points. In a single devotion, you learn a new vocabulary word, followed by a verse or passage from the bible; you then connect the two together, find personal insights and go your way with specific takeaways. How cool is that! What I especially loved about this devotional is the one word. Simple, effective, no complications! It's easy for me to remember just one word and then connect that word with corresponding scripture. That makes it super simple for me to make this word real in my life as I apply what I have learned. Personally this study stimulated in me the desire for more! What it does is it gives you jumping off place for further continued reflection throughout the day! This is an outline for you to fill in and take action. Immensely useful and a quick, powerful refresher for everyday life!

As someone charged with public speaking on a near daily basis, it is beneficial to have a varied vocabulary that allows thoughts and ideas to be conveyed to any group. By reading through Alan's daily devotional I am able to advance the public facing side of my life while growing my inner man to better complete God's purposes for my life. This is all topped off by the Bottom Line at the end of each devotion which summarized the thought of the day and solidifies the growth plan for an upcoming day. This is a must read for anyone wishing to continue to grow as a person and a believer in Christ.

It's been a while since a devotional really caught my attention but, this one is a different story. I read it in the morning then challenge myself throughout the day to apply the "Bottom Line of the Day". At lunch, I question myself about which incidents I have applied to my challenge. My job is very tough at times and sometimes find myself with a negative attitude. I felt like I was at a stand still and needed something to give soon. This devotional has done its job, my husband and daughter have noticed a happier wife/mother when I come home from work.

Balmer's devotional combines three great things in one easy-to-read place. First, it provides a little bit of daily learning through the creative inclusion of vocabulary words. I don't spend enough time improving my vocabulary so this is a great way to sneak in a bit of new learning through the pursuit of a higher daily purpose. Second, Balmer's creative use of scripture is refreshing. I don't spend as much time with scripture as I should (can't we all say that??) and this book provides an easily approachable link to parts of His word that I wouldn't likely find on my own. And finally, the author provides brief, digestible, scripture-based, life tips for every day. It is action oriented and feels achievable. I don't provide many reviews and even less frequently rate anything with 5 stars, but the "100 Day Vocabulary Word Devotional" gets an A+ from me.

As a pastor and spiritual director, I am always trying to be aware of helps for people on their spiritual and faith journey. Alan Balmer has provided one of those really unique and innovative ideas for devotional practice. Words matter and the words we use matter. Alan takes words, some unique and others maybe more common, and weaves them together with Scripture and thoughts to encourage any spiritual seeker longing to know God better. Definitely one to add to your shelf but more importantly, to your daily practice of seeking God.

100 Day Vocabulary Word Devotional was an inspirational book filled with daily readings. The scriptures were cohesive with the daily word, a devotion, and my favorite part -the 'Bottom Line For The Day'. It was a great way to tie up the day and relate it to my life.

I like how this centers me when I am stressed out. It is a nice quick pick me up. Sometimes I have a hard time loading it on my kindle. As I work with my Kindle it finally will load. Not sure what the problem is for that to happen.

This book is a must have for any Christian's devotional library, especially if you're a "word nerd"! I've never seen a devotional as unique as this one. Written in a casual style, reading this is much like listening to a friend sharing his heart. The format is easy to follow, the vocabulary words are intriguing, and the devotional content is at once challenging and encouraging. Truly a great read!
