A Brief History Of India

Synopsis

As recently as the turn of the century, Western images of India pictured it as a land of religion, luxury, and desperate poverty holy men sitting cross-legged by the roadside, fat maharajas on bejeweled elephants, or poverty-stricken beggars picking garbage for scraps to eat. Now that image has started to change. Today Americans are more likely to imagine Indian workers in call centers taking jobs needed in the United States or kids winning fortunes on quiz shows as in *Slumdog Millionaire*. Covering approximately 5,000 years of history, this revised resource offers an accessible, reliable introduction to the rich and diverse history of India.

Book Information

Series: Brief History

Hardcover: 414 pages

Publisher: Facts on File; 2nd ed. edition (January 1, 2011)

Language: English

ISBN-10: 0816081433

ISBN-13: 978-0816081431

Product Dimensions: 6.3 x 1 x 9 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 stars 4 customer reviews

Best Sellers Rank: #674,888 in Books (See Top 100 in Books) #35 in [Books > Teens > Education & Reference > History > Asia](#) #745 in [Books > History > Asia > India](#) #1145 in [Books > Textbooks > Humanities > History > Asia](#)

Customer Reviews

..." scholarly in its depth of research, with an abundance of details and an attractive format... well documented, interesting to read and understand, and visually appealing." --This text refers to an alternate Hardcover edition.

Judith E. Walsh, Ph.D., obtained her Ph.D. in modern South Asian history from Columbia University and is currently a professor in the Humanities and Languages Department at the State University of New York, Old Westbury. She has more than 20 years' experience writing, lecturing, and teaching courses on India and South Asia. She has also studied Sanskrit, Hindi, and Bengali and recently published a book of translations from 19th-century Bengali-language texts.

Easy read, high level survey, good place to begin your journey to understanding India.

This book is exactly what it says - a brief history of India. It is very informative and extremely well written and gives a good overview of India from the early beginnings to modern times. It can be a bit precious at times but that really doesn't interfere with the amount of information packed into it. I would definitely recommend it to anyone interested in India

This is the worst written history book I have ever had to read. please do not buy this book unless it is a requirement . It is horribly written and extremely painful to read through.

This book is quite informative with history and geography without being too dry. That said, color photos and more graphics would be appreciated. (In other words, this is not a DK Guide, in case that's what you're expecting).
