Customer Reviews

Nice little booklet, good information. Not a lot of pictures and fairly vague price indications though. Although I have to admit that prices do change a lot, so this might actually reflect it better in the end.

Nice book. Shows all the good spots and navigating while travelling to Nicaragua. The pages are very thick and sturdy and glossy with a lot of pictures. A lot of information, but not a lot of the information that I need.

Great book, nice range of choices. They explored high and low end hotels, restaurants and activities.
