The Devil Of DiRisio (Dancing Dream #2)

Synopsis

New Version: 10/16/11 Seventeen-year-old Sonya Garrison knows firsthand what it means to overcome adversity. She escaped a poverty stricken home and landed a full scholarship to the DiRisio Academy of Dance Rome, Italy. But life in an unfamiliar city along with the stresses of a dance career bring a new set of challenges. The Devil of DiRisio is the sequel to The Queen Bee of Bridgeton by Leslie DuBois

Customer Reviews

I LOVED the first book in this series. I mean I LOVED IT! This book was good, but I did not love it. It might be just me, but I'm getting tired of heroine's being jerked around by two selfish boys. I did not feel either boy "loved" her (in the true sense of love, loving someone else more than you love yourself), and this book didn't have the lightness woven through the dark that the first book had. This had very mature topics, and felt a little suffocating to me. It was fine, I read the whole book, and I devoured it! I kept expecting greatness, and it was good, it just wasn't great.

This book was one of many that Leslie Du Bois wrote that I purchased on my Kindle with the recommendation from someone else. I enjoyed it and purchased a lot more of hers. Very entertaining. All her books are short enough that you don't get overwhelmed to try and finish. They also seem to be real and the endings are surprising most of the time. I personally would recommend it myself to others.

So in part 2 Sonya seems to be a little confused. She sort of lost that sweetness about her. Will.... Means good but he seems to have that if I can't have her vibe. Mary Ann and her boo kept me laughing throughout the book. They seem to stay in their own little world. And Damian Karl player player. It's a decent read

Omg, this book was really good. It had suspense, drama, and romance all rolled into one. Will and Sonya relationship had a bunch of up's and down's that I started to think their relationship was doomed, but they got through it together. Mainly bcuz Will refused to give up on her, no matter how much I believed she no longer deserved him. He proposed to her 27 times and she always said no!!! How is that possible!??? Most women would kill for that!!! Then her sister (the which returns) and stabs her in the back again. How can someone so close be so untrustworthy?? Then Damian comes along and tries to ruin everything for Will. I do believe Damian's feelings for Sonya were genuine, but I believe you should never step on another man's toes to get what u want and that's what he tried to do to Will. Even though Will made his mistakes, I never doubted his love for Sonya. I finished this book in 2 days!!! It was a True page turner, I was always anxious to see what would happen next with Sonya and Will, Sasha's crazy a**, Damian's pursuit @ gettin Sonya, and Ana Marie's weird relationship with her Italian boyfriend Raffaele (very funny). Over all a lot of drama and a really, really good book and a huge shocker in the end that will have you lookin forward to part 3. MUST READ PPL!!!!

I really enjoy this series and I loved the addition of the new characters that were there to shake things up!

This is a great follow up from The Queen Bee of Bridgeton, a must read. Thank you so much for such a wonderful book.

Sonya had her ups and downs with Will. They keep fighting to be together no matter what the odds are against them. I just keep rooting for them.

That book was so much better than the first.... I literally only put it down to drive home... lol. Omg what a great story.. it's a must read
