Kingdom's Call (Kingdom Series)

Synopsis

A sworn enemy of the Prince vows to eliminate his Followers. Until the Prince saves his life— For generations the Noble Knights have been in service to the King. Following a strict code of conduct, they preserve the peace in Chessington, the King's chosen city, and rule its citizenry. Sir Gavin is a young and promising Noble Knight, devoted to King and Code. Then a peasant disrupts the tranquility of Chessington, brazenly challenging the Code while claiming to be the son of the King's Prince. When it is learned that he is actively training a force of men in defiance of the law, the stranger is arrested and executed. But his Followers continue to defy the Code, and Sir Gavin swears to destroy this threat to Chessington— until he himself is grievously wounded in battle. As he faces his own death, Gavin is saved by someone who will transform his heart and change his life— Journey to Arrethtrae, where the King and His Son implement a bold plan to save their kingdom; where courage, faith, and loyalty stand tall in the face of opposition; where good will not bow to evil— and one brave man stands against the Dark Knight. I did not know what to expect from Chuck Black book. Biblical allegories are often lame and you get the feeling the author is trying too hard to make a point. That is not the case here. These books are fun to read. Chuck Black is the author of many novels including the popular Kingdom Series and The Knights of Arrethtrae series. Each story is strong enough to stand on its own. I have 10 kids, and each of the readers enjoy the books. Even kids who are not familiar with the different Bible stories will still be on the edge of their seats. My wife has read all of them aloud. Our children are familiar with Bible stories, and they "get" what is going on. It adds another whole level of interest as they try to link the story they are hearing with the stories they already know. But, that usually happens after each episode, since some of the segments are so tense they are completely lost in the story. Then, after reading to them we hear "Please! One more chapter!" This is a refrain I hear nearly every night.

Super books for the young reader. My son LOVES these books! Full of adventure and swords. Christian based and so good. Truly a safe book for kids to read. Excellent!!

My daughter has read all the books in this series. She loves them! She has never been an avid book reader. It has been very frustrating to find the right book for her to get into but this series is the one that got her attention. Also, they are stories pulled right from Word of God. Cant beat that!

The "Kingdom" series by Chuck Black is FANTASTIC! My 10-year-old son is on his second read through the entire 6-book series. It is a wonderful allegory to the story of God's son Jesus being sent to save humanity from their sins - truly a "Pilgrim's Progress" for his generation. I am so pleased to have something available for him to read that offers him an exciting picture of God's love and story for us in a format he loves reading!

Gift sent to 11 year old boy he said he can't put this book down.

My son loves this series. Great biblical allegory throughout the books. I love that there are comprehension questions in the back that include biblical verse references. I would recommend this series to others.

I like the non stop action.

Best book series I have ever, read except the holy bible. there are times when I have nothing to do but I don't want to read but I pick the book up anyway and I can't put it down for hours!
