Dating On The Dork Side

Synopsis

1st Place: 2016 International Digital Awards, Young Adult Novel Stung by an epic betrayal, Camy Cavanaugh relies on the sure things: her best friend, her job as peer tutor, and her safe spot on the sidelines of life. But when she hacks into a secret, trash-talking website, it ignites a war between the sexes that won't end until the whole school is turned upside down--and Camy's world is turned inside out. Now the hottest girls in school refuse to date the A-List boys. But with the Homecoming dance looming, everyone from the queen bee to the girl "most likely to" pushes Camy to hook them up with guys from the nerd herd. And then there's quarterback, A-lister--and former crush--Gavin Madison. He hasn't spoken to Camy in three years ... but he's talking now, begging her to pair the guys on the football team with girls from the Honor Roll. It's a contest of wills and everything is on the line--even Camy's heart. Will she retreat to the sidelines, or will she find the courage to get back in the game?

Amazing! This book is a sure must read. I read it in one day and I am absolutely in love with this book. There was so much to this book and the characters were so relatable. The plot was easy to follow and this book would strike a cord with probably anyone. I cannot explain how much this book really just... There are no words to how I feel about this book.

Terrific characters, story, and HEA. Charity Tahmaseb perfectly captures teens transitioning into young adult friendship, love, and responsibilities. A great, fun, must read.

With a well-developed cast of unique characters and an all-to-possible plot, *Dating on the Dork Side* shines with just the right mix of fun, romance, and good life lessons.

I really enjoyed this book. It's well written and humorous. I found myself smiling at parts and chuckling at others. I know it's written for younger people but I enjoy reading books without bad language and graphic sex. This book had a few words and a couple had sex, you knew it but didn't have a front row seat for it. I'd read more from this author.

The relationships with the characters, on, off and on again- excellent. It got confusing a little at one point, but I figured it out.

This is a great YA novel that explores the concept of respect as it deconstructs gender roles as they are played out in a high school. Funny, realistic, and full of interesting twists, this novel is definitely one I would recommend to middle and high school students.

A nice high school drama read. I like the characters except Rhino. He was a bit obnoxious. The story flew nicely and it was captivating from start to finish. A good read.

I enjoyed the characters, the writing style, and the pace. I was nervous, excited, and moved to tears a few times. Looking forward to reading more from this author.
