Atlanta Top 146 Spots: 2015 Travel Guide To Atlanta, Georgia (Georgia City Guides)

Synopsis

Want an easy-to-read travel guide to Atlanta? This book shows the top 146 best spots in this unique destination in United States. Local Love Travel Publishing works exclusively with local travel experts to guide and help you make the most of your vacation. 'Atlanta Top 146 Spots' is your menu to all the 'must-visit' spots in this destination in United States. Quickly get the lay of the land, understanding all your day, food and night-life options. Enjoy your days at places like: World of Coca-Cola, Georgia Aquarium, Noche, Vino Venue, CNN Center, Centennial Olympic Park, Dantanna's, Georgia Aquarium, Dragon*Con, Highland Bakery, AMC Phipps Plaza 14, Lenox Square Mall, High Museum of Art, Farmers Market, Junkman's Daughter, Piedmont Park, Oxford Comics, Perimeter Mall, Perimeter Mall, ... amongst tons of other interesting nooks in Atlanta! Enjoy local cuisine at top notch restaurants like: Noche, Fado, Cinebistro, Kaleidoscope, Vino Venue, Dantanna's, The Vortex Bar & Grill, Lenox Square Mall, Antico Pizza Napoletana, Zuma Sushi Bar, Community Q BBQ, Perimeter Mall, Perimeter Mall, Lenox Square Mall, Town Brookhaven, The Highlands, Cumberland Mall, Mall Of GA, Taco Mac Sports Grill, ... amongst many other food spots! Party at local hangouts like: Cosmo Lava, Fado, Metalsome, Cinebistro, Kaleidoscope, Centennial Olympic Park, Monday Night Brewing, Dragon*Con, AMC Phipps Plaza 14, 7 Stages Theatre, Piedmont Park, Perimeter Mall, Philips Arena, Georgia Dome, Blind Willie's, ... amongst dozens of others! This guide also covers Atlanta spots like shopping areas, museums, parks, outdoor adventures, nightclubs and street foods. For each and every point of interest you'll get: Illustrative photo Address and phone Link to your Google Maps Link to Website (when pertinent) And a quick explanation as to why it deserves a visit. No needless fluff, no boring anthropological lessons! Just everything we love! We don't stuff our travel content with working hours, credit-cards accepted, nearby transportation and user-reviews as it tends to bulk up the writing and are subject to change since the time of publishing. Once you decide the places you want to visit, these infos can easily be found at your hotel concierge, on-line or on Google Maps. No user-review based content! Similarly, our philosophy has been that user-reviewed travel sites are subjective, as they tend to top-rank places that manage their reputation on those sites. So little corner bakeries, unique shops by local artisans, secluded beaches and hidden bars don't show up in those sites as visibly as places that have an on-line marketer or social media specialist. Similarly, we believe the opinion of one well-informed local expert should outweigh the opinion of hundreds of first-time visitors to Atlanta. First-time visitors tend to flock to famous tourist attractions, creating a vicious circle, accentuating just the popular places. Our local experts know the entire city, and know what deserves a visit, whether a famous attraction or a quaint corner. 'Atlanta Top 146 Spots' is the first travel guide to

Atlanta you ought to read. It quickly helps you define your short-list of places you want to visit, so you don't have to spend hours reading hundreds of pages of dense writing. All for less than the price of a sandwich. Customer Reviews

This guidebook to Atlanta's top spots is so easy to flip through. The reader gets tons of ideas on what to do during a stay there, including the must-do places to eat and places to visit. Each location has an accompanying picture that offers a teasing glimpse at what you'll find in store. One star was taken off though because of some repeat sites (each professional stadium was repeated twice as was Centennial Olympic Park, Vortex Bar, and CNN Center, and Georgia Aquarium was listed on four separate locations) and misspellings. Also, if you're looking for a book that offers more history or hotel options, you will have to look elsewhere. Overall though, this isn't bad for a free guide book.

It's a nice supplement to other guides you'll find online and elsewhere.

What a visually beautifully and organized book. You can tell work has been put into the layout and structure that makes this a easy and quick read. Every place you'd want to visit is here, so you don't have to worry about missing anything. Cristiano's book still blow the TripAdvisor reviews away, fishing through all those reviews can be time consuming. Yet, everything you need is right here in this book. Again, I still wish these had some hotel suggestions in them. Maybe if he reads this, he'll implement it in the near future.

A wonderfully quick read with great quality photos of all the essential places to visit. Faster and more convenient than paging through a website like Tripadvisor. I saved a substantial amount of money because of the suggestions contained in the guide. I was able to find my way around Atlanta without a problem using the maps in this guide. As a tourist though, I would have preferred more in-depth coverage of safety issues so that I could make proper security arrangements. Well researched and a great guide to help you find your way.

Do not waste your money. You can find all of this information for free via Trip Advisor or many websites in a far more assessable form.

This is insane! Why can't I get something without rating it! I hope I don't have to do this on all purchases!
