# By The People: Debating American Government, Brief Edition

## Synopsis

Challenge your students to ENGAGE in the conversation and process; THINK about the ideas, history, structure, and function; and DEBATE the merits of American government and politics in the 21st century. In a storytelling approach that weaves contemporary examples together with historical context, *By the People: Debating American Government, Brief Second Edition*, explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People, Brief Second Edition*, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach. Approximately 20% shorter and less expensive than its parent text, the full-color Brief Second Edition features a more streamlined narrative and is enhanced by its own unique supplements package.

- ENGAGE \* "By the Numbers" boxes containing fun facts help frame the quizzical reality of American politics and government
- \* "See For Yourself" features enable students to connect with the click of a smart phone to videos and other interactive online content
- THINK \* Chapter One introduces students to seven key American ideas, which are revisited throughout the text
- \* "The Bottom Line" summaries conclude each chapter section, underscoring the most important aspects of the discussion
- DEBATE \* "What Do You Think?" boxes encourage students to use their critical-thinking skills and debate issues in American government
- \* Four major themes, in the form of questions to spark debate, are presented to students in Chapter One and appear throughout the text

## Customer Reviews

"'Engage, Think, Debate' should become pedagogical theme of all American Government courses in the 21st century."--E. Perry Ballard, Daytona State College  
"A comprehensive overview of American political processes that is engaging and informative. The authors continually challenge students to think critically about controversial issues and include relevant and thoughtful examples to reinforce learning."--Steven Nawara, Valdosta State University  
"The writing style is terrific and accessible. Students like the way it is written and visual learners will appreciate the graphics and 'By the Numbers.' Given the content, writing, organization, and price, there is not a better text on the market."--John Shively, Longview Community College  
"By the People is comprehensive, engaging, and sensitive to cultivating relevant connections between students and politics (which can be all too abstract at times)."--Jay Cerrato, Bronx Community College  
"Throughout the text, the issues that are selected are important to students and they will be engaged with the alternating viewpoints that are summarized. From an instructor's perspective, I will use this to stimulate debate and discussion among students."--Michael Petersen, Utah State University

James A. Morone (B.A., Middlebury College, and M.A. and PhD, University of Chicago) is Professor of Political Science at Brown University and five-time winner of the Hazeltine Citation for outstanding teacher of the year. A renowned scholar of American Political Science, Dr. Morone, an award-winning author, has published eight books including *The Heart of Power* (2009), *Hellfire Nation* (2003), and *The Democratic Wish* (1990). He served as President of the Politics and History Section of the American Political Science Association from 1999-2000 and the New England Political Science Association from 2002-03. He has been on the board of editors for eight scholarly journals and comments on politics in *The New York Times*, *The London Review of Books*, and *The American Prospect*. Rogan Kersh (M.A. and PhD, Yale) is Provost and Professor of Political Science at Wake Forest University. A leading scholar in American Political Science, Dr. Kersh is best known for his work on health reform, obesity politics, and interest groups/lobbying. From 2006-12 he served as Associate Dean of the Wagner School of Public Service at New York University, where he built an undergraduate program, helped conceive and create NYU's new campus in Abu Dhabi, and was integral in the launch of a new Global Institute of Public Health. Dr. Kersh has published two

books, more than fifty academic articles, and has provided commentary on U.S politics for dozens of different media outlets including CNN, Newsweek, and The New York Times. He was President of the American Political Science Association's organized section on Health Politics and Policy in 2011-12, and is an elected Fellow of the National Academy of Public Administration.

Ordered this textbook from for my Government class as it's required and it was a couple dollars cheaper buying from compared to the bookstore. Nice quality book, smooth pages and not too heavy considering book is 650+ pages.

enjoyed

I've enjoyed reading, and studying from this textbook. It is informational, thoughtful, unbiased, or centered, provides relevant, and important modern examples to convey the point.

Item was mislabeled and was not what I needed. I had a very difficult time exchanging it. Customer service was not helpful at all.

They sent me the instructor's edition by mistake. My professor didn't mind. It's working out well.

Good book the only thing is that colleges use the simplify version the "red" cover is a smaller book almost same stuff

Not a bad book. Though, if you taking American Government that require you buy this book, I recommend not buying it.....

It's a textbook, inspires a lot of Wikipedia use but serves as a great base.
