Back Roads Germany (Eyewitness Travel Back Roads)

Synopsis

Take a journey through the back roads of Germany to discover the area's real soul and charm. Twenty-four themed drives, each lasting one to five days, reveal breathtaking views, hidden gems, and authentic local experiences that can only be discovered by road. Each tour is bursting with insider knowledge and loaded with ideas for varied activities, from short walks and longer hikes to days on the beach or at a spa, to wine tours, cycling trips, and watersports. Meanwhile, the most friendly, best-value hotels and guesthouses, as well as restaurants specializing in regional produce, have been selected by expert authors. This guide is full-color throughout, with a pull-out map of the entire region for easy navigation between tours, and zip code information for use with a GPS device. All the practical information you could need is included, from road conditions and length of drive to parking information and opening hours. Discover the unexpected on your road trip with DK Eyewitness Travel Guide: Back Roads Germany. Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

Customer Reviews

Great book--and one of the better ones I've found. We loved the photos, suggested drives,

food/eating suggestions, regional info, and suggestions for walking tours. My husband and I recently tagged along on an 11-day drive from Berlin to Frankfurt via Quedlinburg, Bamberg, Weimar, and Wurzburg. Our trip was already planned by his parents. So I bought this book mostly to fill gaps for myself and think about our own possible trips in the future. But my in-laws loved it, too, and we worked in many of its suggestions quite easily on the spur of the moment. They loved the spontaneity and the finding out-of-the-way surprises. And the concise section on international road signs, menu "decoding," and German phrases for drivers came in handy. This is a thin volume that fits well into the back of a car pocket and is sturdy enough to stand up to much handling. That said, it's pretty heavy, compared to other guides, but this is due to durable covers and glossy photo paper. It's a lovely book. And a week after our return, I'm still perusing, dreaming, and sharing our travels with others. Buy it and be glad!

I'm very pleased with the product I ordered. The quality of the book matched its description and even arrived sooner than expected. I am a bit disappointed that the map in the back was torn out, but everything else was pretty good.

Great

This is a great book for a "do it yourselfer". Get off the beaten track and see the Germany that you always wanted to visit. Driving in Germany is easy and people are most helpful in directions if you get lost.

Very good

a lot of information

I'm going to Germany next year and the DK books historically have always been great. I'm just beginning to read this to determine which tour I should take.

As all DK publications, this one is clear and pleasant to read. Strongly recommended if you are contemplating car travel on the best maintained highway system in the world.
