Best Sellers Rank: #810,101 in Books (See Top 100 in Books) #29 in [Books > Business & Money > Insurance > Casualty](#)

Customer Reviews

Great book, I now understand disability insurance. Enjoyed the stories and examples.

I wish this book had been written 15 years earlier. Well written, easy to understand, the anecdotes, examples, and personal experiences help consumers and financial planners relate to the value of disability income insurance. And- it answers in detail many and more questions than most people know to ask regarding their income, profession, and financial needs. I look forward to ordering this book in print for my office.

Great book. Everyone should take the time to read it and protect themselves for the future.
