Bruce Dickinson: Maiden Voyage: The Biography

Synopsis

Bruce Dickinson is the mighty voice behind legendary heavy metal behemoths Iron Maiden, and many more things besides. Prior to joining Maiden in 1981 for their seminal, multi-million selling *Number of the Beast*—one of the most influential records in the history of Heavy Metal—Dickinson enjoyed stardom with fellow New Wave Of British Heavy Metal artists Samson, while his post-Maiden solo career also brought much critical success. Not content to merely continue shaping the face of metal music, Dickinson is a true renaissance man: a world-class member of the British Fencing team; a fiction author; a military historian; a TV presenter; and also a first officer for commercial airline Astreus. Yet in 2015, the voice, and the life, of Iron Maiden's singer were placed in jeopardy as he was diagnosed with a golf-ball sized cancerous tumor on his tongue. But after making a full recovery, Iron Maiden have released an acclaimed 16th album, *The Book of Souls*, and announced a world tour, and Bruce stands astride the pantheon of metal greats once more. This first biography of Bruce Dickinson tells his story through exclusive interviews with those who know him best.

Book Information

Paperback: 400 pages

Publisher: John Blake (April 1, 2017)

Customer Reviews

Joe Shooman is a music journalist whose work has featured in mags including Metal Hammer, Music Mart, Record Collector, Plan B Magazine, Mixmag and The Fly. He is a regular contributor to national BBC radio. He is the author of *Trivium: The Mark of Perseverance*, *Whose Space Is It Anyway?* and *Kasabian: Sound, Movement & Empire*.

A good book. Lots of information about Bruce Dickinson--his start in the music scene, to his rise, all for his other projects, and of course about his time with Maiden. A very good book if you are a fan of Bruce or of Maiden.

An interesting look at an interesting man. Any Iron Maiden fan would enjoy this.

good
