## Customer Reviews

Very pleased with this book--the songs are arranged in a challenging, but not overly difficult style. Just right for a pianist with an intermediate to early advanced skill level. Now I can finally play some of the beautiful music I've heard in the Yanni's concerts that have been broadcast on PBS.

Love the sound of In My Time but the piano music is hard to read, repeatedly indicating fingers of both hands on the same note.

Very Nice book, Really love listening to his music and this makes it easy to play as well

Excellent book love it, great price.

It's Yanni! How can it be anything but great!

Nice arrangements.

Awesome.

Love this music.
