Customer Reviews

“Younger kids will love the repetition of the verses in this tale of a pout-pout fish.”
“Winning artwork . . . Hanna's cartoonish undersea world swims with hilarious bug-eyed creatures that ooze personality.”
“Appealing . . . the cartoon illustrations of undersea life are bright and clean and the protagonist's exaggerated expressions are entertaining.”
“Diesen's clever rhymes are playful and fun and are sure to keep children's imaginations swimming from page to page.”
“Times Record News

Deborah Diesen is the New York Times bestselling author of The Pout-Pout Fish, named by Time magazine as one of the Ten Best Children's Books of 2008. She has worked as a bookseller and a librarian, and now works for a small nonprofit organization. She lives with her

family in Grand Ledge, Michigan. Dan Hanna has over ten years' experience in the animation industry, and his work has appeared on the Cartoon Network. He lives in Oxnard, California.

My 19-month-old love "The Pout-Pout Fish" and "The Pout-Pout Fish in the Big Big Dark", so I was really excited to order this lift-the-flap book for him. I assumed this was an entirely new book, so imagine my disappointment to discover most of the illustrations are taken from "The Big Big Dark". There is really nothing new in this book. Plus, at the end, the Pout-Pout Fish is supposedly still looking for Miss Shimmer, but because they used illustrations from previous books, she is shown on a lot of the pages leading up to the end. My little one loves the two books I listed above, and usually really enjoys lift-the-flap books, but he has barely looked at this one. We read it a couple of times, and now he just pushes it away when we pick it up and gets one of the other two. If your child has never read the other Pout-Pout Fish books, they will probably like this one, though.

My daughter likes Pout-Pout fish so she really likes this book. What I don't like is that the publisher is clearly using the same graphics from the other Pout-Pout fish books. I mean come on, my daughter remembers that in the other book the clam has lost its pearl and was quick to point out that the clam was sad.

My twin grandchildren adore this book. I suggest getting this book for children at least 18 months if they want to lift the flaps themselves! We had a lesson on gentle lifting of the flaps, and I made sure all flaps had been opened several times before I gave it to them. They are pretty stiff. Beautiful illustrations and a great way to learn the names of the sea creatures. There are many Pout Pout books, but if you want a child-pleasing lift the flap book, this is it!

Pout Pout Fish is great! Lift the flap books are great! These two combined obviously make a great book. My son loves looking through this book for Pout Pout Fish and finding all of his friends along the way. The flaps have held up nicely despite lots of opening and closing and not so gentle hands pulling on them.

This was my second copy as my daughter destroyed the first. It held up incredibly well, not like some other lift-the-flap books, but she has perseverance. You really can't go wrong with pout pout fish

its cute, my 4yr old daughter loves it! though personally i wish there was a bit more pages, kind of short.but i guess its no biggie. So, thats why not 5 stars

Story leaves a bit to be desired. Don't expect the same caliber as the original as far as originality and rhyme scheme. But the tabs are great fun for my one year old. (Illustrations are recycled from another pout pout book about the being afraid of the dark)

An adorable follow-up to "The Pout-Pout Fish," which my grandson enjoyed from his earliest months.This one he (2 years old) can handle better because the pages are thick and sturdy.
