Wonderfully insightful, a fun read, and great recipes. Ellen Zachos is super knowledgeable.

Because Ellen Zachos is a friend and foraging buddy, I have had the good fortune of tasting the results of her wild mixology. The drinks she concocts with foraged ingredients are delicious, intriguing, and well-balanced. In her book, she not only takes you through the botanical details you will need to know in order to make her cocktail recipes, but also shares great foundation skills for inventing your own imbibe-able recipes. Highly recommended.
