Customer Reviews

Quite a few stories from Andersen that I've never read before. It's funny, but you really never grow too old for the lessons you learn in fairy tales!

its all of what you remember.

I really enjoyed reading the fairy tales by a very memorable author. They have morals to them and they are quite interesting.

I loved re-reading these stories . As a child I read them constantly and possibly as a result I have become a real Fantasy fan. It's worth it to revisit the past, or to read the stories for the first time.

Perfect collection for a student and also for parents of little ones. I would use this book for bedtime story time.

A-1! A-1 product & service. Like the speed at which my order was processed. My highest recommendations to you. Thx!
