Synopsis

A CHRISTIAN ROMANTIC SUSPENSE BESTSELLERÃ Â Ã Â Just.Ã Â One. Day. Altered Stella's family forever.Ã Â --------Widowed and now single, medicalÃ Â scientist Stella Heart juggled between managing her career and struggling to communicate with her teenage daughter, Sharon. Their common ground crumbled beneath their different beliefs about God. While Stella believed in God, her daughter didn't. Sharon instead held strongly to what they taught her in schoolÃ¢â ¬â •until the day a disaster struck and the ground physically gave wayÃ¢â ¬â •altering both their perspectives about each other, and more than one person's resistance to God.Stella's concerns multiplied when she gets lost in search of Sharon. In the ensuing chaos,Ã Â she runs intoÃ Â Michael, a Christian man with a mysterious past whom danger seemed to followÃ¢â ¬â •and she wondered how many more unseen twists God trusted her her fragile heart to handle.Can she trust Michael beyond what he appears to be hiding from her, or will her own fears cloud her judgement when extreme danger surfaces?----------THE PLEASANT HEARTS Series unwraps the journeys of four orphaned Christian sisters, all in their thirties, and told they'll never marry. To them, marriage did appear too distant as each struggled to build a career while single, and communication between the sisters was less than stellar. But when God stepped in, He showed that He could turn their struggles into triumphsÃ¢â ¬â •if they let Him. UNCOMMON GROUND , book 1 of The Pleasant Hearts Christian Suspense series, begins this excitingÃ Â journey, focused on Stella, the eldest of the Hearts sisters.Contemporary Christian Fiction Author, Joy Ohagwu, brings you this story full of unexpected twists. Customer Reviews

I recommend Uncommon Ground to all ages from sixteen to one hundred. It is a well written Christian book. It has mystery, intrigue, romance, love of family, trust, etc. It's a story you won't want to put down until you have read the entire book. Joy Ohagwu is an excellent author.

The first of a series and a very good one. I enjoyed the suspense. A good clean and inspirational book. Loved the characters of Stella and Michael. She is a widow with a teenage daughter. This is the first book by Joy that I have read but definitely will not be the last.

I loved the way this moved from location to location, and kept suspense going. It's packed with action, adventure, mystery, family connection and romance. What more could you want? I'm looking forward to reading more from this author.

A wonderful story, written in a way that made me want to keep reading even when I didn't have the time to spare. I look forward to reading more by this very talented author.

The author draws you into these characters and leaves you wanting more! I can't wait to read more about the Heart Sisters. Truly there's a story in all of them. The twist and turns of this book are

definitely worth the ride!! Enjoyed it!Best Selling Author, LaTrice Williams

Uncommon Ground was a good story, but it felt rushed. I felt as if I didn't know where the author was going with this story. At first I thought the story would center around the disaster because so many scenes were centered around it and then there was a kidnapping that had nothing to do with the disaster. So I felt like the story was all over the place and that the characters fell in love too quick.
