Shay Shull is the author of the Mix and Match Mama's blog and several cookbooks including Mix-and-Match Mama Eats and Mix-and-Match Meal Planner. She writes about motherhood, adoption, world travel, holidays, organization, and, of course, yummy food. Passionate about coffee, traveling the world with her family, and Red Sox baseball, her greatest love is Christ. Shay lives in McKinney, Texas, with her husband, Andrew, and their four kids: Kensington, Smith, Ashby, and Madeley.

Love the way Shay Shull's books bring families together!

I bought this on a whim, because well, I follow her blog and buy practically anything she recommends. I am usually happy with the purchases, however this was unnecessary. All of the recipes are already in her blog. I personally eat a much healthier diet, but thought it would be a good book to have for my kids to get involved. It just sits on the shelf collecting dust...

Tasty recipes and appealing to kids.

These recipes do not claim to be the most nutritious food of all, but they are an opportunity to spend fun and valuable experience with your children while they are young and to teach them to carry on the tradition.

Made our first recipe last night, the Banana Butterscotch Waffles. My 3 year old loved helping and all 4 of my picky eaters loved the waffles. I wasn't planning on eating one too but after I tried a bite of my son's waffle, I ate one as well. It was delicious! I have made many recipes off Shay's website and they have all been delicious. The book contains a good mix of recipes and they are all easy to prepare and kid friendly! Next on our list to make is the Hotdog Soup!

This is a great cookbook for kids! This is by far my favorite cookbook by Shay Shull. I wanted to get a cookbook my 10 year old niece could use that had simple healthy recipes she could learn to cook independently. I was hesitant because in her other cookbooks, almost all of her recipes can be found on her blog. This cookbook has new recipes that I have never seen before. Thanks Shay for a user friendly cookbook that is great for the young and old!

Wonderful book to use with children

Just made four recipes (applesauce, pineapple muffins, rice krispie treats, and pb bites) this afternoon with our 4 year old daughter in record time! Such a kid friendly, kids cookbook!
