Customer Reviews

Glen Campbell had some great songs and this songbook helps one to learn to learn the chords to some of his great recordings. Some of the songs are easier than others but with practice you can learn to play these great songs. In my case the book can't help my singing, but of course that is another issue LOL. A really good songbook that everyone can enjoy.

All the tunes I was looking for.

I have been a Glen Campbell fan. Bought this for our grandson who plays our piano a lot.We get to hear the great music we love played by a grandson who we love more.

Love the songbook, easy to pick up for intermediate players on guitar.

Great book, good tunes, will enjoy this as part of the music collection...
