Miumi-U Teaches Japanese Shibari

Synopsis

This book shows you HOW TO DO Japanese Rope Bondage. Rope bondage has been practiced in Japan since ancient times and is becoming more popular in the rest of the world. This book sets out to show how you can tie your partner in the way it is taught by a Japanese mistress, Miumi-U. The book starts with the basic ties and goes on to use them in more sophisticated play sessions. Miumi-U prepared these lessons with Kao, her bondage partner, who has performed with her many times in Tokyo Shibari clubs. You will learn to:

- Make single and double column ties
- Make quick release versions
- Tie a chest harness, with and without crossovers
- Tie legs in different ways
- Dress your model in a Japanese crotch cloth
- Combine the various ties
- Play with your model
- Suspend your model and play with hot wax

Customer Reviews

Performances given by Miumi-U are lively and creative with touches of humour interlaced with the telling of a story using costumes, ropes, burning tapers other items; and like stories, there is usually a twist in the tale at the end.

Miumi-U is one of the most creative and dramatic young rope artists emerging from the classical traditions of Japanese shibari. Her training began in Tokyo when she became a member of the Ichinawa-kai where she studied rope intensively under Shishi-waka and Kurage Umitsuki for a year and a half. This required eight hours of instruction and practice each day which drew on the long

historical traditions of rope bondage in Japan. Following this, she took advanced classes as a student of Hajime Kinoko for a year.
