Adventures Of A Qur'anic Family

Synopsis

How great would it be if we, as families, could learn at least some of the verses from the Holy Qur'an and apply them in our daily situations. This would be a big step in helping our children to understand the Holy Book and apply its teachings in their lives, thus utilising the Qur'an for what it is meant for. In this series of short stories, meet a Muslim family who try to do exactly that. Follow the adventures of Maryam (3 years), Muhammad (6 years) and Fatima (8 years) as they try their best to learn and apply simple but effective Qur'anic verses in their daily lives. The book also includes lots of tips and innovative ideas to teach your children more about the Holy Book.
