Diggers (Rough And Tough)

Synopsis

Discover the world of vehicles and machines with realistic foam-padded pages. Rough and Tough is a series of fun board books designed specifically for kids who love all sorts of vehicles. Discover amazing facts and explore the bright photographs of many different machines in these four new tactile books. The foam-padded format is ideal for little hands to hold and explore each page, and even feels just like a real tire.

Age Range: 2 - 3 years

Grade Level: Preschool and up

Customer Reviews

This was a great book! My son loves it!!

Nice board book for a baby or toddler. Durable and easy to hold in small hands. Nice pictures of diggers.

My 1-year old grandson loves this book. It is in the shape of a tire, has the feel of "rubber" like a tire, and each page has a picture of a different big truck. He spends up to an hour looking at it sometimes.

I bought this because I work for the company that makes several of the products featured in this book. My kids enjoy reading about and looking at construction equipment.

awesome. small. rubber "tire" around it. cool for toddler boys

He loves it

Can't wait to give my nephew this book for Christmas. He has been carrying around the Tractors version for months, and has started to wear it out! Great little books!

Great pictures
