Yu-Hsuan Huang is an illustrator and artist from Taichung City, Taiwan, where she lives with her family and cats.

Baby girl loves this book, especially the bunny.

Love the finger puppet books

Very cute!

Cutest book ever!

This book was smaller then expected, pretty chunky though and the puppet part is also small I but

this is great for little hands. It's cute and the story is simple.. I bought this for my baby's first Easter and the more I think about it the more I like the size. The puppet part is on the right and story is on the left side of the pages. It is a sturdy board book. I added pictures.. Adorable! Recommended!!

Cute and pleasant art, with a nice story about all the things a bunny does in a day. I like Huang's set of finger-puppet books because they describe the animals' natural behavior (how they find food, interactions with their mother/father, etc.) in a cute way for kids.

Baby and toddler both enjoy this book.

Great product, love the hard covered book.
