Perfect Piggies!

Synopsis

Piggies rock! So does Boynton. Through her eyes, her words, her music, and above all her art, we see the world with whimsy and pleasure, appreciating round noses and curly tails, floppy ears and pleasing plumpness. And we're lucky to give that gift to our youngest children. A member of the amazing Boynton on Board series that has over 21 million copies in print, Perfect Piggies! also comes with a free downloadable song. Reminiscent of a cappella swing, it's a celebration of the homey of beauty in the eye of the beholder, of sunshine and fresh air, and a place to put up our hooves when the day is done. And, of course, the catching energy and rhythmic language of a beloved original: We are all perfect piggies and we know what we need. It's really very simple, very simple indeed: a troughful of food, a place in the sun, and a little bit of comfort when the day is done. That goes for the rest of us, too. Â

Sandra Boynton is a popular American cartoonist, writer, and songwriter. Since 1974, Boynton has written and illustrated over fifty children's books and seven general audience books, including five New York Times bestsellers. More than 60 million of her books have been sold—mostly to friends and family, she says. She has also written and produced five albums of award-winning children's music. Three of her albums have been certified Gold, and *Philadelphia Chickens*, nominated for a Grammy, has gone Platinum. She lives

with her family on a farm in New England. ☺ ☺

Cute book but not anywhere near my favorite Boynton. I don't really understand some of the random stuff in here lol. The song in the beginning is kind of odd. It almost seems like a random mix of some of the other books. I mainly bought it cause we have so many others and my daughter likes pigs at the moment but even she isn't interested in this story. I would pass on it.

Sandra Boynton is one of my favorite children book authors. All the books from her are so cute and silly. This one has some silly sayings in it like "piggly doo dah" and "piggledy bop" that my daughter thinks is hilarious.

I have 8 grandchildren and I have read Sandra Boynton books to all of them, over and over, and over. They love them and they are fun to read. Now that 2 of my granddaughters are going to be 13 this year, they have started reading there favorite Sandra Boynton books to their younger cousins...so much fun for my husband & I to watch. Yesterday was Easter and the whole gang was here. When the little ones started getting tired, my husband, Grandpa, got out the Sandra Boynton books and read for over an hour to them. I looked up from the kitchen sink to see one of my granddaughters, (3 year old) acting out each page as he read. PRICELESS, I mean really, PRICELESS!!!! This author knows how to entertain children and does it so authentically...you can never mistake her books for someone else's. Whenever there is a gift giving occasion for a young child, it is always these books that I will buy to give and I always get great feedback from the recipients, after they have a chance to read them to their child/children. I cannot recommend this book or any of the Sandra Boynton books highly enough.

Oh my gracious, my granddaughter and I laughed and laughed while we read this book and made up silly tunes! She is 2 1/2 so great book for her age, however it is definitely a go too book for silly times!

Sandra Boynton does it again! My little ones love this book. Perfect Piggies is a great add to any kids book collection. Such a fun read for the whole family! This book is the perfect length to hold the attention span of the littles and even for early readers.

It was in great condition

Oh my gosh, who doesn't love a Sandra Boynton board book?! The piggies are perfect just as they are, with their curly little tails and floppy ears. Other animals are special in their ways too, but the piggies are happy to be piggies. Typical incredibly adorable Boynton illustrations.

Great
