Great book. Easy to read and comprehend what is written. You can understand what is coming.

Answered some questions I had about the order of things

Matt has simplified and correlated the world today present and past and to one with the 7 letters to the church. Jesus is returning. Believe it or not,

Well written, extremely interesting.

I really enjoyed this book. I have recommended it to all my FB friends and family. It is very informative and well written. A must read for everyone watching and waiting for the second coming of Christ!

I think for Matt's first book, the info was good for someone who is a beginner into learning about the end times. For a new Christian it would be a good read.

Not finished reading...Great study...Timely.

This is a must read for all believers of Jesus Christ. Very well written and easy to follow and understand.
