Tokyo Ghoul, Vol. 9

Synopsis

Ghouls live among us, the same as normal people in every way—except their craving for human flesh. Ghoul society is a complex, brutal, and often terrifying world. Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. Six months after their Aogiri Tree Operation, the CCG continues their investigation of the Gourmet and the Binge Eater. Kaneki and his colleagues search for Rize's true identity brings them face-to-face with the mysterious Madame A.

Customer Reviews

Sui Ishida was born in Fukuoka, Japan. He is the author of Tokyo Ghoul and several Tokyo Ghoul one-shots, including one that won him second place in the Weekly Young Jump 113th Grand Prix award in 21. Tokyo Ghoul began serialization in Weekly Young Jump in 211 and was adapted into an anime series in 214.

Great quality for the price paid.

Love.

So close to wrapping up Tokyo Ghoul, another good read!

A lot of set up this volume and almost an obnoxious amount of time spent with the CCG when all I wanted was more time with Kaneki considering the events of the last couple volumes. Still great nonetheless with a pretty interesting cliffhanger.

granddaughter liked this book

Awesome series!

Tokyo ghoul as a whole is an amazing series, anyone that loves a great story with an amazing plot twist and lots of violence should read this!

The illustrations are beautiful as always. If you're a fan of Sui Ishida's works and also Tokyo Ghoul I highly recommend purchasing this.
