20-Minute Whittling Projects: Fun Things To Carve From Wood

Synopsis

Learn the fast and simple way to whittle in this fun introduction to woodcarving. Discover how to whittle in less time while you have more fun! One of the joys of whittling with a pocket knife is that you can do it just about anywhere. You don't need any fancy equipment... and you don't even need much spare time. Author Tom Hinds demonstrates his easy-to-learn, quick-cut method for whittling expressive little figures from wood in just 20 minutes or less. With his friendly instructions and step-by-step photos, you'll learn to carve an endless array of charming wizards, gnomes, gargoyles, ornaments, dogs, leprechauns, and more. These super-short projects are perfect for learning basic caricature carving skills. They also make wonderful little gifts for random acts of kindness. Leave one along with your tip at the local restaurant, or give one to your favorite cashier. Children especially enjoy receiving them as souvenirs.

Tom Hindes is a whittling artist and carving teacher. He is a regular contributor to Woodcarving Illustrated magazine.

Great for small bits of time.... like waiting for ball/swim/soccer/piano practice to get over!! I usually give them away to the younger kids waiting for their brother or sister to finish practice. Fun, easy. Great!

The patterns are easy to carve and you can add more detail if you like. The fifteen minute elf and Santa you need power tools for but the rest are simple as pie

Decent projects, although we're not into gargoyles and such. Bought it for my 13 yo and it was a little beyond his capabilities. Very instructional though, and we learned about the good techniques of whittling.

As a whittler I am always looking for patterns and this book is full of them.

Gave me very good tools for my projects, very helpful for a novice!!

Great book for my son to start learning

AWESOME BOOK, down to earth advice with a simple presentation.

Amazing little book with all you need to know starter information. Very happy with my purchase.
