SMOKESCREEN MARRIAGE (Harlequin Comics)

Synopsis

Kate awakens in a hotel suite and finds herself naked. Coming out of the shower is Michalis Theodakis, the heir to a global hotel chain. She remembers him saving her from men with ill intentions the evening before, but she never would have imagined that her savior would take advantage of her! When he becomes aware of what she's thinking, Michalis is thoroughly offended – if he had shared a bed with her, he assures her, she would certainly remember it. Kate apologizes when she realizes he didn't have any predatory intentions – but that doesn't mean he doesn't have any intentions at all.
