Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

## Customer Reviews

None of the stories in this volume really has a plot. It's more of a primer on the basics of various Marvel heroes and villains. As a mom who's seen the major movies, but never read the actual comic books, I learned something. (Example: "Fin Fang Foom is an ancient alien who looks like a giant dragon. This big beast would like nothing better than to take over the world--and take a big bite out of Iron Man!" OK, good to know!) I have to say, the villains in Marvel have even stranger premises than the villains in James Bond. But I digress. My three year old son, on the other hand, finds these stories hugely fascinating. Most of the stories are about describing the "good guys" and "bad guys", which is right up a three year old's alley. My little guy isn't old enough for the movies--even the cartoons are a little violent for my taste. But these are great. I wish Little Golden Books would come out with something for Star Wars.

This isn't what I expected. It's a compilation of different super heroes and a sort of bio about them--but not actual stories like I thought it was. Not something my 3 year old enjoys reading as there is no actual storyline.

Nice quality book, many stories. Very cute. Our 2 year old son loves it.

Gave this to my 3 year old for Christmas since he's recently gotten very into superheroes. He spent at least an hour today, sitting quietly flipping through this one and the DC Comics version "reading" it to himself. We read a couple of the stories as well. They give a good background to each superhero and their story lines and respective villains. Perfect for him at 3.

My Grandson (5) loved the book. He is into superheros.

ok

My 4 y.o. son loves this book! He loves having the choice between 3 different Avengers/Marvel stories. It was also a GREAT value! If purchased separately, I would have spent close to \$12. I paid \$6.29 for one book. This was one of my son's favorite Christmas gifts.

Bought as a gift for my 5 y.o. nephew who is obsessed w/ superheroes. This LGB introduces him to the most famous Avengers characters and villains. There are no fights or violence in this book - it is definitely, simply, an introduction to the characters and how they got their super powers.
