My Encyclopedia Of Very Important Things

Synopsis

A charming first encyclopedia bursting with facts, perfect for little learners ages 4–7 who want to know everything. Learning takes on a storybook feel through "Once upon a time" stories and graphic novel elements in *My Encyclopedia of Very Important Things*. Covering a world of discovery, it explores animals, people, planets, and, very importantly, you! Children can learn how animals "talk," how many people live on our planet, how to say "hello" and "goodbye" in different languages, and so much more. They can meet vegetarian dinosaurs, fluffy pets, and big blue whales; explore the past with cavemen, Vikings, and pharaohs; follow the life of a plant, from seed to flower; and discover what makes up a cloud. Blending adorable, simple illustrations with rich photography and lively text, and formatted with a ribbon bookmark, *My Encyclopedia of Very Important Things* is a very important book for very important people, the perfect first reference book for young readers.

Grade Level: Kindergarten - 4

Customer Reviews

I am interesting when I read Encyclopedia book. Thank you very much.

Best book I've ever given young people. Keep buying more of them. The parents love them as well - they are having great conversations with their children about the pictures and the info. If I weren't retired, I'd buy boxes of them for my students!

Very good and fun
