Customer Reviews

This would be a great book but it's not all correct. Translation of sentences under the pictures from english to italian got some errors in it. Some huge once too

My daughter loves the book and can easily pick out what the picture is, and its Italian word. Pronunciation is tricky, but she can sound out the words well enough.

This is a great book for a child/adult who wants to learn Italiano.

Very detailed!

An amazing book. Anyone who is trying to start with the basics for themselves or child should start here. Great book. More than I expected.

great
