Sandra Boynton is a popular American cartoonist, writer, and songwriter. Since 1974, Boynton has written and illustrated over fifty children's books and seven general audience books, including five New York Times bestsellers. More than 60 million of her books have been sold – "mostly to friends and family," she says. She has also written and produced five albums of award-winning children's music. Three of her albums have been certified Gold, and Philadelphia Chickens, nominated for a Grammy, has gone Platinum. She lives with her family on a farm in New England.

There's not a lot of room to write on each calendar day but I don't mind. I use it along with inspirational stickers for when I've met my goals for the day and it's perfect for that plus I love Ms. Boynton's art work. I would buy this again if it's available next year. Also wanted to mention it comes with a sturdy sleeve and the pages are a nice weight.

Protective sleeve is helpful. I removed the sleeve and the corner was wrinkled. Other than that cute design and meets my needs fits in purse.

sandra is my absolute favorite artist of childrens books, and quirkie little items

Perfect size to live in my purse, love the format, the illustrations rock.

I love this

wish it was encased in plastic as these get pretty roughed up in a ladies bag-it would be better to rate this after 7-8 months of using
