Blizzard

Synopsis

Blizzard is based on John Rocco's childhood experience during the now infamous Blizzard of 1978, which brought fifty-three inches of snow to his town in Rhode Island. Told with a brief text and dynamic illustrations, the book opens with a boy's excitement upon seeing the first snowflake fall outside his classroom window. It ends with the neighborhood's immense relief upon seeing the first snowplow break through on their street. In between the boy watches his familiar landscape transform into something alien, and readers watch him transform into a hero who puts the needs of others first. John uses an increasing amount of white space in his playful images, which include a gatefold spread of the boy's expedition to the store. This book about the wonder of a winter storm is as delicious as a mug of hot cocoa by the fire on a snowy day. Praise for Super Hair-o and the Barber of Doom "With a light, humorous touch, Rocco reveals that sometimes the Kryptonite is all in your head." --Publishers Weekly "Bold, colorful pen-and-ink illustrations burst with power from each spread in comic-book style. This story will make a feel-good impression on budding comic book/superhero fans." --School Library Journal Praise for Blackout "The plot line, conveyed with just a few sentences, is simple enough, but the dramatic illustrations illuminate the story...Not all young readers will have experienced a blackout, but this engaging snapshot could easily have them wishing for one." --Kirkus Reviews (starred review) "The colorful pictures work beautifully with the book's design. Rocco uses comic-strip panels and a brief text to convey the atmosphere of a lively and almost magical urban landscape. Great bedtime reading for a soft summer night." --School Library Journal (starred review) 2012 Caldecott Honor Book New York Times Notable Book Wall Street Journal Best Book of the Year Publisher's Weekly Best Book of the Year School Library Journal Best Book of the Year Kirkus Reviews Best Book of the Year --Praise for Fu Finds the Way "Rocco's story flows smoothly and his illustrations are rich and appealing..." --Kirkus Reviews

K-Gr 2 **•** Recounting a story from his childhood, Rocco sets this picture book during the "Blizzard of '78." At first, young John is ecstatic about the snow; he gets to stay home from school and play outside all day. But as the snow continues to pile up and the food in his house starts to run out, he and his family start to worry. Since he is the only one light enough to walk on top of the snow, he ties tennis rackets to his feet and sets out, walking to the nearest store, comically stopping along the way to help neighbors or to play. He then returns home with groceries for his family and neighbors; soon after the snowplows finally arrive, returning life back to normal. The simple text will be easily accessible to a young audience, and children will enjoy the message that even kids can be

heroes in a time of a crisis. Rocco's artwork is as stellar as always; paint-splattered snow give an extra layer of detail to Rocco's already vividly textured backgrounds. The white negative space around some of his images effectively portrays the vastness of the snowstorm in a minimalist way, and the warm, cozy interiors are a lovely contrast. Great for storytime on a cold night. — Peter Blenski, Greenfield Public Library, WI
