One of my favorite calendars! I keep it on the side of the refrigerator and jot down appointments, etc. I love the upbeat messaging and the bright graphics.

A Christmas gift for someone who will benefit from its encouraging messages.

It's a nice calendar, but, I really needed one with more of a matte or rough paper texture. This is slick and glossy. I make notes in my calendars in pencil and this did not work for me. I wish sellers would make a habit of stating what the paper texture is on calendars.

Love the inspirational sayings and the room to write on it each day. I use it for tracking my workouts.

I'm a high school counselor and my students love keeping the calendar up-to-date and reflecting on the messages. Beautiful artwork.

Worth it.

I buy this calendar every year. It is adorable & the mini size fits perfectly where I hang it in the pharmacy.

It's just what I wanted. It's a great tool to lift your day.
