Robert's Rules Of Order SparkCharts

Synopsis

SparkCharts™: The information you need-concisely, conveniently, and accurately. Created by Harvard students for students everywhere, these study companions and reference tools cover a wide range of college and graduate school subjects, from Business and Computer Programming to Medicine, Law, and Languages. They'll give you what it takes to find success in school and beyond. Outlines and summaries cover key points, while diagrams and tables make difficult concepts easier to grasp. This six-page chart covers: Introduction to parliamentary procedure, The deliberative assembly, Motions, Officers, Minutes, and standard order of business, Committees, Boards, Mass meetings, Conventions, Amending bylaws, Disciplinary proceedings, Glossary of terms.

ISBN-13: 978-1411470798

Product Dimensions: 11 x 8.5 x 0.1 inches

Shipping Weight: 0.6 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars (44 customer reviews)

Best Sellers Rank: #20,853 in Books (See Top 100 in Books) #12 in Books > Business & Money > Business Culture > Etiquette #270 in Books > Education & Teaching > Studying & Workbooks #282 in Books > Textbooks > Test Prep & Study Guides

Customer Reviews

Procedural questions and challenges come up frequently at my organization's meetings. I can see this chart being very useful as an immediate reference that I can easily carry with me. The only thing I can't find is a definitive statement of what version of RR this is based on, that would be very helpful. Since there is a bullet noting the 10th edition as the most recent, I'm guessing this is based on the 10th version. The 11th edition is actually the latest version but I have a differences chart for 10 and 11, so this still works for me.

Bought these for all the members of the non-profit board I sit on - very handy reference to slip into the

Board Binders, and was a great tool to walk them through some of the more intricate details of Robert's Rules. Very well made and durable, and you can even write on them with a dry erase marker!

Durable, well organized, helpful in fulfilling my needs, convenient to have on podium for fast referencing. I bought 2 copies to 'gift' to friends for their benefit.

Just what I was looking for. Plenty of information at your fingertips. Worth the money. Type is very small but it has to be. Not going to use this at meeting but review what you need and be informed.

This is pretty comprehensive. I know about the minor Robert's Rules but this empowers me to interact without fear of making an incorrect "move".

I have appreciated the condensed version.

Simply said, if you Robert's Rules, this will make your job easier.MUCH easier!

After, sixty-years I need this clear statement on the various classes of motions, etc. Will use it as a reference in the next year or so.A very good overview.
