Customer Reviews

It was acceptable but didn't really provide much. It explained "wheeling" but must buy more editions to read about other methods she used.

This book teaches basic strategyOpens your mind and shows how to possibly win. I have not won money yet but its only been 2 weeks.

Liked the simplicity of the explanations and the ease of application. Hope to apply the info soon in the Texas Lottery.

Book was not what I expected. The book need upgrading. The winners mentioned were winners years ago, during 1980s, 90s. The book did not interest me. I am a everyday lottery player and it did not hold my interest.

I tried your free wheel and got 14 three numbers 52225

I've been using this system for over a year now and still have not won anything big. I'll win 1-3 dollars once in a while.

if your looking for how to start with Gail's book.
