The Perfect Blend: Seriously Fun Vocal Warm Ups

Synopsis

(Shawnee Press). It will make you think. It will make you laugh. It may change the way you approach your job as a choral director. The Perfect Blend provides an entertaining, yet practical, approach to the voice and to the choir. Over 100 exercises, including photos to explain them, rehearsal and programming tips, vocal health and the aging voice, plus "things they didn't teach you in school." It all adds up to the perfect blend for any choral director.

Customer Reviews

This book is excellent. The warm ups in the book really work and the students (middle and high school in my case) understand them easily. They are fun, too. There are so many to choose from and if one doesn't work for a particular technique, just try a different one.

This book is full of useful information and ideas to utilize Originally, I borrowed it from another director and decided to purchase it for my own reference.

Very great book that is filled with helpful information for choral teachers of all levels.

Techniques can be easily adapted for children through adults. Bit-size chunk information makes for easy reference. Binding and paper make for long-term use.

As a band guy, I found myself teaching choir. This book was helpful for finding new warm ups that I could use to help the students with more than just singing. It had funny as well as serious warm ups. The kids enjoyed them.

Very fun book with lots of practical ideas!

good

This is full of ideas from a masterful conductor. I have many recordings from his work with Turtle Creek Chorale. This explains how he achieved that sound.
