Good Book. And a very good read..

A great read- thoroughly enjoyed.

Loved this book.

Interesting story based on actual events. Much better than the movie (Breakout) that was very loosely based on this book.

This story was a part of my life for years. Judy was my best friend and I travelled with her and helped find the pilot. Joel's arrest and imprisonment were so painful, so terrifying and hurt everyone involved. I think Joel would have died in a Mexican prison if it wasn't for Judy and her incredible bravery. Judy was a great sister, mother and friend.

this is the story of my great uncle joel, i never knew him but my dad talks about him a lot. i really hope that people read this book and see how cruel the government can be and how money can

make the worst beast of people. please read this- my grandmother judy dowis was a really strong woman for going through all this to save her brothers life from a mexican prision.thank you,jill dowis

This book is a great story of true adventure. Great reading, great pictures...but there's more than meets the eye here. The real adventure is what you are not told about...the plight of the pilot. Stay tuned for a true story told to me from the actual pilot, a best friend, who manned the helicopter and his version...only time separates the story from the reader.
