Micro-Fiber Black & White Print Bible / Book Cover - Psalm 46:10 (Medium)

Customer Reviews

I was hesitant to purchase this after reading some of the reviews but went ahead anyway, hoping for the best. I am returning it. It has the look of plastic and the wording was crooked and poorly applied. Definitely looked cheap. In fact, who ever was packing the box either didn't take time to inspect the product before packing it or didn't care that they were sending a defective item. Also the dimensions listed for size are way off.

We bought one case as a Christmas gift for our daughter. Her Bible did not fit into it because the Bible was smaller than we thought. She traded the case with one my wife had, but after a couple weeks, she wanted her case back. She loves it! My wife likes it so much that she ordered this one! This case meets the quality we expected and has held up to the wear it has been put through. Great buy.

I love love it. It holds my bible and pens and highlighters. It also has a little pocket for candies if needed. It is very pretty and I like that it is black and white, it matches everything. I only wish it was not cloth and leather instead. It would make for easier cleaning. But other than that, I do love it.

Got this at the request of my sister-in-law for her birthday. She loves it. Was shipped on time.

I like the cover design and the outside pocket. It is a little more stiff than I thought it would be, but will probably wear with time. I had one with no support in the cover, i guess I am not used to it. good value for the money.

It was nice and sturdy.

This product was not at all what I expected. It was poorly sewn together, uneven, and the inside pocket came apart when I slipped my hand in it. The front pocket also came apart when I slide the front cover of my Bible in it. Since it is too late to return it I have to keep it although it is unusable. It looked pretty in the picture, however it looks and feels like plastic in reality.

This thing is huge! I ordered a Medium Bible cover and altho the packaging indicated it was a medium, it measured out at a whopping 8"x11!" Wow. Well, I guess better too big than too small. As to the quality tho, I do like this cover a lot. Lovely design. Has a nice feel to it, plenty of pockets for

pens and notes.
