# Cheats, Cons, Swindles, And Tricks: 57 Ways To Scam A Free Drink

## Synopsis

How'd you like to never pay for a drink again? How about having complete strangers pay for your meals? What if you always had a few tricks up your sleeve to break the ice at parties or get the girl's phone number?"Cheats, Cons, Swindles and Tricks" is full of 57 of the very best bar scams and tricks, picked up in Brian Brushwood's 12 years of worldwide travel. As seen on the Tonight Show with Jay Leno (twice!) as well as 2 dozen other TV programs, Brian's now the host of the popular online series "Scam School," (downloaded over 1 million times a month, and named by iTunes as a "top video podcast" of 2008 and 2009). ...And THIS is the book that started it all. With 57 killer tricks (and 8 bonus scams), any one of these tricks could win you the cost of a free drink or more... and yet your investment will be LESS THAN 2 CENTS PER TRICK! Short enough to digest in an evening, yet powerful enough to score you free drinks for the rest of your life... "Cheats, Cons, Swindles and Tricks" could be the single best investment of 99 cents you'll ever make.

## Customer Reviews

Fun book. A bunch of cool bar bets you have some fun with. I liked this book. It was very

entertaining. It's good to be able to have scams up your sleeve and S'wood delivers.

It's a great little book with bar tricks, coin tricks, etc. All the explanations are short, but they're well written and do explain the tricks in a way that is easy to fully understand. Out of the fifty tricks he teaches in the book I only found two that I wanted to learn myself. But for me that was great. For the price I'm extremely satisfied.

Not bad. Took a few for free drinks. Lost a few too. For now I'm ahead on my bets. Just may sure not to bet young hot heads. Little sense of humor.

We do presentations at trade shows. Many of the chapters contain excellent icebreakers. We will be using some next weekend. Thanks!

The items in this book are best used by people who have very little talent and are looking for foolish tricks to show other foolish people.

It's really just 57 tricks to impress, or get the best of others. No real swindles or cons. Just cheats and Tricks.

I know it is only 99 cents but I want to buy the 10 minutes of my life back, that I spent reading the first 10 tricks.

Loved it...as all his books....bring on the drinks!
