Since the early days of lavish luau feasts, friends and family in Hawaii have celebrated all occasions with food. These days, almost no one arrives at a party or gathering without bringing something tasty to share. The potluck party, where each guest brings a special dish to the table and everyone partakes of the wide variety of flavors, is the classic local way of getting together, sharing happy moments and talking story. Pupu Hawaiian for appetizers or finger food are some of the easiest dishes to make and to share. Pupu recipes are as diverse as Hawaii's vast array of cultural ingredients and flavors reflecting contributions from all of Hawaii's ethnic and social groups. *Hawaii's Best Pupu and Potluck* presents the best of the best.

excellent book

Great purchase

Dying to use this one, too.

Great cookbook for those missing local food

The recipes were easy to prepare and the ingredients were easy to find in the stores as well. I love the colorful presentation of the dishes.

I have another cookbook by Jean and just love it!

Jean Wantanabe knows her stuff when it comes to Hawaiian recipes for sure. Best hawaiian cookbooks ever! Five stars for sure!

This Cookbook is okay but not the best representation of local cooking. I tried a couple of the recipes but didn't like it. Will try a bit more before I decide to donate it.
